GVA “Brings It” to ArtPrize 10!

Thanks to the enormous efforts of Joanne Swann and her amazing team of site preparers, art hangers, reception planners, publicity chasers, and site hosts, the GVA venue for ArtPrize 10 is an accomplishment GVA can share with pride. We look forward to seeing hundreds of visitors over the three weeks of ArtPrize 10.

To find out who did these beautiful works and those in the centerfold, you'll need to visit our venue! So many beautiful pieces, and we can't share them all in these pages. Over 50 artists from GVA and around the country grace the walls of the City Water Building at 1101 Monroe NW. See you there!

Plein Air Group Gets Around!

If you haven't joined the Plein Air Group yet this year, you've missed some great times and really fun locations, including small town scenes (Coopersville), fair-grounds (Lowell), the Grand River (Allendale), downtown streets (GR), Reeds Lake, Riverside Park, and the dairy farm in Eastmanville. We should have several more opportunities to enjoy painting outdoors

before the snows fly, so remember to check the website calendar each Tuesday night to see where we will be painting the following day.

GVA Gallery / October / FIGURATIVE EXHIBIT

Submitted by **Jim Johnson**

Figurative Art: Art that has the human figure as the main subject. Figures can be nude or clothed. They can be presented against a neutral background or figures can be engaged in a narrative of some sort. I loved our last figurative exhibit. And I'm thinking that this time it might be fun to push our interpretations a bit closer to the edge. Give yourself permission to experiment. All 2D and 3D art is eligible, including drawings, paintings, prints, sculpture, photography, digital works, mixed media, etc. This exhibit is not juried and the works do not have to be framed, only hangable. No entries will be accepted beyond the hang date.

Hang: Oct 1 / Monday

Strike: Oct 29 / Monday

Congratulations to Alix

Come to the Next Art Chat

Come join us for fascinating topical discussions on and about our changing art scene locally, nationally, and beyond. Your ideas are important and welcome in this informal and comfortable setting. We plan to meet Friday October 12 at 1 p.m. in the GVA library. We look forward to seeing and hearing you there!

Long Pose Thursdays!!!

We are very excited to add a weekly "long pose" to our already abundant list of studio options each week. At the long pose session, the model will assume the same pose for the entire 6 hours (with breaks, of course), so come and paint for part or all of the session. The fixed cost of \$10 is a STEAL! You might want to pack a lunch!

Photo Group News

The Photo Group met for their regular meeting on September 4 with their usual critique. For a second meeting in September on the 18th we had an interesting workshop where Jim Henningson brought a Stroboscopic Light, an electronic strobe with a continuous repeating flash and controllable output. Mike Mitchell brought an MIOPS Splash. The unit is controlled via Bluetooth to an app on a smart phone or tablet. It will control up to four water drops and eliminates the need for an eye dropper. (Bill Andrus shared some photos with us here.) Our first October meeting is scheduled for the October 2. Join us!

October Program

On October 11th, H.J. Slider, Art Educator, will present a program titled "New Ways of Looking: Sharpening The Artist's Eye."

She will introduce you to some in-depth methods for perceiving and analyzing art, plus new ways to use what you already know to increase your appreciation of art. This information will be interspersed with frequent and lively audience participation. Take-away informational packets will be provided.

Those attending will be encouraged to add their own unique perspectives in a variety of formats, having fun with aesthetic exercises and enjoying enlightening discussions based on images by historically recognized artists.

GVA members also have the opportunity to use their own images during this workshop. If you would like to include one of your artworks for discussion, please send the image to Randy Nyhof (r.nyhof@comcast.net) by Thursday, Oct. 4, so he can prepare it for projection onto the screen. Landscape, portrait, figures, still life, and non-objective images of all types of visual art are welcomed!

Are you searching for ways to look deeper into the art you see on your own easel or in your workspace? Then schedule Oct. 11's program on your calendar right away!

What a Night!

Reception at the GVA ArtPrize venue was a HUGE SUCCESS. Thank you so much to Diane Haworth and the amazing team of volunteers who made it happen.

September Program...Fun Time!

Very fine turnout for GVA's program with John Knight. John walked us through what he has learned since he joined GVA back in the 1960's. John is an illustrator, painter, designer, photographer you name it with a long successful career. He also got the audience to participate with some interactive doodling. Fun time.
